"The Journey Home"

The day was January 3, 1952, in the city of San Francisco, California, a beautiful baby girl was born to the late Stonewall "Bit" Jordan and Ophelia Jordan. Annie was one of six siblings; Linda, Clarence Sr., Estella, Paul, Claude and Helen.

Annie attended and received her formal education from the Richmond Unified School District and graduated from Gompers High School. Following high school, Annie known as "Go-Getter, Tell It Like It Is...But I Still Love You, The Neighborhood Train Station Mother at 516 Florida Ave" was also the loving mother to her three beautiful children; who cared for her till the end, Rita Marie, Raquel Michelle and Roderick Maurice.

To take care of home and her three children, Annie worked for the Ford Motor Company in Milpitas as a Foreman, Early Child Development Center and a CNA at the Bayside Nursing Center where she retired due to Multiple Sclerosis (MS). But even in health, nothing couldn't stop our Annie. She loved the children, cooking, family gatherings, and a love of crossword puzzles; that rubbed off on a few of her grandchildren.

The Sun Has Set...God Called My Name & I Answered
With No Hesitation..."Come With Me"
For this is a journey we all must take, And each must go alone.
It's all part of the Master Plan... A step on the road to our heavenly journey home.

On Monday, September 21, 2021, after the sun had set, our beloved Annie took her final Boarding Pass Ticket and took her reserved seat that was waiting for her..."Heaven Bound". Preceding her in death were her parents, siblings Paul Jordan, Claude Jordan and Helen Stamps and family dog "Dior".

To continue to cherish her legacy and memories are her loving children, Rita, Raquel and Roderick (Pilar) Grandchildren; Kenneth Stroughter, Jr., Kristopher Stroughter, Kyree Stroughter, Faith Chocklin, Jordan Chocklin, Roderick Chocklin Jr., sisters Linda and Estella and one brother Clarence Sr.; a host of nieces and nephews, cousins and many Godchildren

Annie's presence will truly be missed by all, but we as believers in Christ know that is in the tender loving care of Jesus.

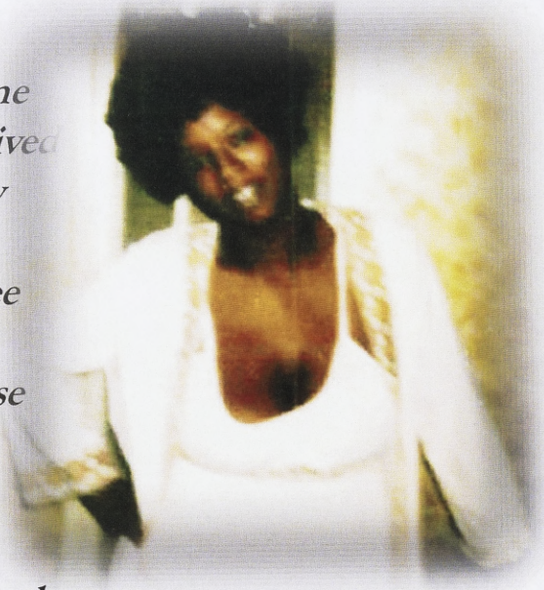
"Remembering Our Queen"



We can shed tears that she is gone
Or we can smile because she has lived
We can close our eyes and pray
that she will come back
Or we can open our eyes and see
all that she has left
Our hearts can be empty because
we can't see her
Or we can be full of the love
that she shared

We can turn our back on tomorrow and live yesterday
Or we can be happy for tomorrow because of yesterday
We can remember you and only that she is gone
Or we can cherish your memory and let it live on
We can cry and close our mind, be empty and turn our back
Or we can do what you would want : smile, open our eyes, love and go on

Forever Our Beloved Queen

"Train Station #516"
Last Journey

There is a train at station #516
With a seat reserved just for me
I'm excited about its destination
As I've heard it sets you free.
The trials and tribulations
The pain and stress we breathe
Don't exist where I am going
Only happiness I believe
I hope that you will be there
To wish me on my way
It's not a journey you can join in
It's not your time today
Many family & friends I know are waiting
Who took an earlier train
To greet and reassure me
That nothing has really changed
One day you'll take your journey
On the train just like me
And I promise that I'll be there
At the station and you will see
But now as no seat is vacant
You will have to muddle through
Make sure you fulfil your ambitions
As you know I'll be watching you
Now I can't except this ending
And as it's time for me to leave
Please make haste to the reception
To enjoy family, friends & laughter.... Love Annie
